EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 15, line 1, "the" has changed to –The–.

2. The following is an examiner's statement of reasons for allowance: the prior art does not show a tray having a plurality of spaced apart sections and each article of the plurality of articles for control of mosquitoes having at least one removable section having a predetermined quantity of an active ingredient with each article being received in a separate well. Further since Lund shows a device to used in the ground to control termites, there is no suggestion to combine Lund with Kase who shows a mosquito control using B.t.i. as an active ingredient formed into an article.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
